

Travel check list for Loft House build trip

What to do before leaving:

- Purchase Mexico auto insurance (AAA offers a good package for liability only at about \$40 for three days.)
- Look over the map to your destination
- Inquire with your cell phone provider about an international calling plan. Verizon has a plan for no monthly fee that reduces your cost per minute, but no data. For \$5 a month you can get a plan with 100 text, 100 minutes, and 100 mbs of data. It does work in some areas of Baja.
- Call credit card company to notify them about your travel plans.

What to take with you:

- Passport or passport card
- At least one other picture I.D.
- A flat of drinking water per car (only drink bottled water south of the border)
- Sleeping bag and pillow
- Personal toiletries
- Flash light
- Snack food (there is no problem taking food into Mexico, you cannot bring it back.)
- Hat (sun hat for the day of the build)
- Spending money
- Camera
- Travel alarm clock / smart phone with clock app
- Extra batteries
- Prescription medications
- Bible and journal

Clothing:

- One set of work clothing / Work shoes / gloves
- Something to sleep in
- Flip-flops
- Clean clothes to travel home in
- Jacket / sweater

What not to bring:

- Expensive jewelry
- Guns
- Pets
- Medical Marijuana
